

SHIFT GEARS WITH TRC QUALITY

Manual Transmissions

From ZF manuals in pick-up trucks to all makes used in class 8 vehicles.

Allison Automatics

Carry a full line of automatic transmissions including Allison. All remanufactured Allison transmissions come with a brand new torque converter and are remanufactured only using Genuine Allison components.

Automated Manual Transmissions (AMTs)

All AMTs are completely disassembled and cleaned utilizing the latest technology. All critical and "high wear" components are replaced.

Light Duty Automatics

Remanufactured with the latest upgrades. Same day or next day availability.

Differentials

All makes available. Our differentials are remanufactured to OEM standards.

Transfer Cases

New Process and Borg Warner units are in stock for immediate delivery.

Steering Boxes

All units built to factory standards and tested under load.
